The software I have been using to create the website has become obsolete and will no longer modify or update the existing site. I have been trying to replace the current website with newer software, but it will take a while to replace all items on the old website.

Hello,

Just a quick update on the hotel reservations for Lesley's wedding. They have a block of rooms at their reserved price (\$165 for Sat, 7/12, and \$150/night for Sun - Wed, 7/13 - 7/16), but this rate goes away in April 2025. We've booked our rooms for Sat - Wed. If you book now, you have until a week before the wedding to cancel without it ever hitting your credit card so you may want to just book it now so you don't miss the lower rate provided for the Van Deventer / Crosby Wedding on 7/13/25.

Hello Family,

I wanted to let you know Lesley & Kevin have settled in on a date and venue for next summer. Their wedding will be on Sunday, July 13, 2025 at the Heritage Hotel & Suites in Southbury, CT. The wedding and reception will be at that one location. There's a 9-hole golf course, tennis court, ping pong table in one of the common spaces, and indoor / outdoor swimming pools. The ceremony will be outdoors and if it rains, they pull us all inside to a nice room.. We've ordered weather like we had in July 2009 for that reunion out here. :-)

Here's the link to the Heritage Hotel (it is a Best Western property): [Spa Packages - Connecticut Spa Resort - The Heritage Hotel \(heritagesouthbury.com\)](https://www.heritagesouthbury.com/spa-packages)

The wedding will be at 5pm on Sunday, then figured people will hang out for a couple days for the "family reunion" portion of hiking, biking, etc. that we can find to do.

I'll share more information as necessary.

Duane
